

# PerformanceManager Login

Two ways to access the system:

- PerformanceManager website:  
<https://performancemanager4.successfactors.com/login?company=equitable&>
- [www.eqt.com](http://www.eqt.com): Click Employees and then Performance Management System.

The screenshot shows a web browser window titled "Account Login". Inside the window, there is a warning icon and the text: "Please enter your login information below. Both your username and password are case sensitive." Below this text are two input fields: "Username:" followed by a text box, and "Password:" followed by a text box. Below the password field is a "Login" button. At the bottom of the form area is a link that says "Forgot Your Password?".

- Enter your Username – your Employee ID (with leading zeros) and your Password
- If you do not know your password, click the Forgot Your Password link. Enter your Username only and click E-mail me. It will be sent to your e-mail account immediately.
- If you still can't login please contact Tracy Caruso or Erin O'Donnell
