## **EQT Corporation Announces Earnings Conference Call**

PITTSBURGH, Jan. 5, 2012 -- EQT Corporation (NYSE: EQT) will host a teleconference with security analysts on January 26, 2012, beginning at 10:30 a.m. Eastern Time. The topic of the teleconference will be financial results, operational results and other matters with respect to the year-end 2011. A review of these results will be followed by a Q&A session for security analysts.

EQT's teleconference with security analysts will be broadcast live via EQT's website, <http://www.eqt.com>, and will be available for seven days.

EQT announces these tentative dates for the 2012 quarterly and year-end earnings conference calls: April 26, July 26, and October 25, 2012; and January 24, 2013.

EQT is an integrated energy company with emphasis on Appalachian area natural gas production, gathering, transmission and distribution. Additional information about the company can be obtained through the company's website, <http://www.eqt.com>. Investor information is available on EQT's IR website at <http://ir.eqt.com>. EQT uses its website as a channel of distribution of important information about the company, and routinely posts financial and other important information regarding the company and its financial condition and operations on the Investors web pages.
