

Re: Purchase Agreement Announcement between EQT Corporation and EQT Production Company ("EQT") and THQ Appalachia I, LLC and THQ-XcL Holdings I, LLC ("Tug Hill")

Dear Lessor:

On August 22, 2023, we informed you that EQT completed the acquisition of Tug Hill's upstream and midstream assets, and while we work to integrate the Tug Hill assets in our systems, ask that inquiries concerning servicing your account or lease be directed to Tug Hill. We are pleased to inform you that significant progress has been made, and all inquiries concerning your account or lease should be directed to EQT. Tug Hill is no longer able to service your account or lease.

To help us service your account, we ask that you take note of and use the EQT Owner when attempting to service your account. **Please make sure you keep record of your EQT Owner Number in your personal records.** Our Owner Relations is dedicated in serving you and can be reached using one of the following options. We also encourage visiting the Land Resources section of our website, where you can learn more about Leasing with EQT, Forms and FAQs, and Owner Portal.
